

Parents

Helping you to help your child's reading and maths

You can make a real difference!

Getting involved in your child's learning can have a real impact on their success at school.

Oxford Owl is a **FREE** and **easy-to-use** website that has been built with teachers and parents and is packed with **helpful advice**, **free eBooks** and **fun activities** to help you support your child's reading and maths.

www.oxfordowl.co.uk

“ This website is fantastic; it has everything for my 6 year old who loves reading and also my 10 year old who has been struggling with phonics and reading... Well done.

Miss L Elwell

- **Help your child's reading and maths (and support their teacher too!)**
- **Growing to 250 FREE eBooks to enjoy with your child**
- **Phonics guide (including how to say the sounds correctly)**
- **Ideas for motivating boys to read**
- **Great ways to keep up with learning in the holidays**
- **New Treasure chest packed full of fun maths activities and games**

IT'S FREE!

“ Just wanted to send an email to say how much the children in my class have loved the Oxford Owl website. Over the past two weeks, I have taken my class to the ICT suite and have showed them how to access the website and how to read the eBooks that are available. They loved it! They have also come in to tell me about the eBooks they have gone on to read at home. What a fab resource for both teachers and parents.
